
Erik R. I. Rodriguez

Indiana University South Bend Student

(574) 340 - 8248

erikreecerodriguez@gmail.com

OBJECTIVE

My goal is to make use of the computing skills that I've learned so far and refine them with frequent usage while also learning more vital skills through experience as I strive to do my best in the future.

EDUCATION

Indiana University South Bend - *Bachelor of Science in Computer Science*

Expected Graduation Date: May 2025

Ivy Tech Community College, South Bend - *Associate of Arts Degree*

Graduation Date: May 2020

WORK EXPERIENCE

August 2019 - Present

Service crew member at McDonald's

- Skills acquired through working at McDonald's
 - I handled currency and credit transactions quickly and mastered operating our point of service computer systems for assisting customers with a professional attitude.
 - I personally made a priority to express good communication skills with coworkers and assisting management with crew positioning management and the extra scheduled duties.

May 2021 - Present
